Open House Gives Parents A New View Of Fremd — And No View When The Lights Go Out!

Open House 1977 will not be forgotten for a long time. That's the night when the lights went out — at least for a few minutes, and teachers and parents were "in the dark" at Fremd. Fortunately good sense and good humor prevailed and Open House went on as usual, giving parents the opportunity to see school from their kids' point of view.

'Romeo And Juliet ' Is Opening Spectacular For The 1977 Viking Theater

Christening the new Fremd Auditorium was the Viking Theater with their outstanding production of 'Romeo and Juliet.' In keeping with their fine tradition, the performers and crew kept full houses engrossed with their excellent interpretations of this very difficult and demanding play.

Mr. Thomas Smith gave fine assistance to the cast and was ably aided by Miss Friedman and Mrs. Breitenstein. The modern staging and costuming coupled with the use of the original Elizabethan dialogue created a challenge and a triumph for the Fremd Viking Theater.

A conference is held in stage between Romeo and the Nurse while Mercutio and Benvolio trade insults.

John Gegenhuber as Mercutio and Dave Cameron as Benvolio match wits and sword skill on stage.

Annual Student Council Square Dance Gives Fremd Students A Chance To Kick Up Their Heels At A Real Hoedown

Dancing to the music of real country fiddles, Fremd Vikings had a chance to sharpen their square dancing techniques at the November Hoedown sponsored by Student Council. Dressed in jeans and checked shirts, with corn cob pipes and straw between their teeth, the Fremdites learned to swing their partner and do-si-do with the best of them. The calling was done by a professional and he really put the students and some faculty through their paces.

This Square Dance has become an annual event for Fremd High School and is sponsored by Student Council.

Some students didn't dress the part of Fremd Hayseeds.

Seniors Judy Morin and Tammy Manner take a break and sit on a haystack.

Ice Cream Social Is A "Cool" Success With Fremdites Suffering From Spring Fever

Fast becoming an annual event is the Fremd Ice Cream Social sponsored by Student Council. Vikings are treated to all the ice cream they can eat and musical entertainment which brings out the swinger in each and every one. The Spring Fever suffered by so many Fremdites gets a chance to break out and keep company with fellow students.

Student Council members provide the muscle for scooping all the ice cream and everyone agrees that this event is an important entry on the social calendar of all Fremd Vikings.

The "bobby sox set" showed up for the fun during the evening.

Pleated plaid skirts and letter sweaters were the dress of the evening.

Alice And A 'Wonderland' Cast Give A Magical Performance In The '78 Dance Show

Some unidentified characters "Talk to the Animals."

The 1978 Fremd Dance Show was a smash success which is not unusual since it has become a traditional highlight of the school year. Directed by Mrs. Emmer who was ably assisted by Jean Evans and Kim Kragness, the participants who numbered over one hundred gave nothing but polished performances. Working with an Alice in Wonderland theme, Orchesis and other cast members worked very hard to create a real wonderland for their appreciative audiences. As usual the show played to full houses for three nights. Much hard work and uncountable hours go into this production — but it is among the best to be presented at Fremd.

1977 Junior Prom Depicts "A Time For Us" — Juniors And Seniors Dance The Night Away, Dream Of The Future

The climax of a wonderful school year is always the Junior Prom — and the 1977 Prom was no exception. Using the theme "A Time For Us" Fremd juniors and seniors were treated to an evening filled with fun and excitement. Starting with a dinner fit for a king, upperclassmen were then swept away with the music and the dancing.

Working hard all year to provide a memorable evening were the Junior class officers and Mrs. Martin, the junior class sponsor. Beginning back in September, these energetic people spent the school year planning the events which would be remembered by all who attended. Money-making projects and hard work added up to a wonderful night.

"A Time For Us" will never be forgotten. It serves as a reminder of all the experiences and memories that go into high school life.

Graduates Of The Class Of 1977 Look Forward To A Future Filled With Success And Fulfillment

On a note of positive optimism, the graduates of the Class of 1977 marched into the Fremd gymnasium to receive their diplomas and their invitation into the adult world. For some this means college — and for some this means doing the thing which most interests them. For all it means a big step forward into the future.

Representing one of the largest classes to graduate from Fremd High School, the seniors were wished well by representatives of the school board, the school administration and the faculty. In a moment of mixed emotions, the seniors accepted all the good wishes and moved forward into the future.

Fremd's Record-Breaking '77 Football Team Earns State Playoff Berth, Creates Viking Spirit

It was the year that every school dreams of. A football team that had the power and finesse to sweep through a tough Mid-Suburban league North division. And this is just what the 1977 Varsity Vikings did. Led by outstanding performances of Kevin Weaver, Paul Passaglia, Chris Rubak, Marty Finis, Mike Gavigan and many others, the Vikes let the competition know that Fremd football is serious stuff.

Losing only one heartbreaker to rival Barrington, the Vikings gained their rightful place in the State Playoffs. Although Holy Cross squeaked by to advance, the proud Vikes can hold their heads up and make claim to a fantastic year.

Our years at Fremd High School will forever be memorable ones. The friends we made and the experiences we shared will always remain with us. The learning cycle during high school goes beyond the academic aspects and is extended by the friendships we have with others.

For many high school is a time for becoming more independent and learning to view the world as an adult. It is a time for growing and discovery and developing a closeness which time and distance cannot erase.

It was through this kind of closeness that the 1978 yearbook was produced. The unique atmosphere made the work involved seem easier and the time go by much faster. Thanks are due to Mr. Mike Hackleman and Tuula Mills of Josten's/American for their help. Thanks also to the staff, administration and students of Fremd High School who, after all, are the important part of the book and who make it especially worthwhile. Very special thanks should be given to Mrs. Michel, the yearbook advisor, who gave much time throughout the year and without whom this yearbook would never have been produced.

We all have special friends and memories of our high school years. It is these things that make Fremd High School a special place.
